

Mind your Mom and Dad
And you'll be glad

Bedtime is a time your Mom and Dad say
You need your rest so you can play the next day

Do not argue 'cuz you won't win
Just say yes with a big fat grin

Share your stuff, it's right to do
Make House Fairy happy and you too

Say your prayers and smile while you do
God is good and He loves you

Wear your seatbelt every time
House Fairy just might leave you a dime

Put your play clothes on to play
Keep your good clothes for another day

Give your mommy a great big hug
You're her little snuggle bug

Learn the Mr. Whiney song
So you won't whine, but can sing along

Use a tissue when you have a runny nose
Don't squirt mommy with a garden hose

When you're inside use your inside voice
Outside be louder, it's your choice

Cover your mouth when you cough or sneeze
So germs can't fly on the breeze
